Wonderful Popularity of the Renowned Medicine.

The Greatest Curative Success of the Age-A Voice from the People.

No medicine introduced to the public has ever met with the success accorded to Hop Bitters. It stands today the best known curative article in the world. Its marvelous renown is not due to the advertising it has received. It is famous by reason of its

effect. In fact, one case, a lady of over seventy years had been sick for years, and for the past ten years I have known her she has not been able to be around half the time. About six months ago she got so feeble she was helpless, her old remedies, or physicians, being of no avail. I sent to or physicians, being of no avail. I sent to Deposit, forty-five miles, and got a bottle of Hop Bitters. It had such a very beneficial effect on her that one bottle improved her so she was able to dress herself and walk about the house. When she had taken the second bottle she was able to take care of her own room and walk out to her neighbor's and has improved all the time since. My wife and children also have derived great benefit from their use.

An Enthusiastic Indorsement.

GORHAM, N. H., July 15, 1886, GENTS: -Whoever you are, I don't know, but I thank the Lord and feel grateful to you to know that in this world of adulterated medicines there is one compound that ves and does all it advertises to do, and ore. Four years ago, I had a slight shock of palsy, which unnerved me to such an extent that the least excitement would make me shake like the ague. Last May I was induced to try Hop Bitters. I used one bottle, but did not see any change; another did so change my nerves that they are now as steady as they eyer were. It used to take both hands to write, but now my good right hand writes this. Now, if you con-tinue to manufacture as honest and good TIM BURCH.

A Husband's Testimony.

My wife was troubled for years with blotches, meth patches and pimples on her face, which nearly annoyed the life out of her. She spent many dollars on the thousand infallible (?) cures, with nothing but injurisus effects. A lady friend, of Syra-cuse, N. Y., who had had similar experience and had been cured with Hop Bitters, induced her to try it. One bottle has made her face as smooth, fair and soft as a child's and given her such health that it Seems almost a miracle.

A MEMBER OF CANADIAN PARLIAMENT.

A Rich Lady's Experience.

I traveled all over Europe and other for-eign countries at a cost of thousands of ars, in search of health and found it dollars, in search of health and found and not. I returned discouraged and disheartened and was restored to real health and spirits with less than two bottles of Hop Bitters. I hope others may profit by my and stay at home.

Luxuriant Hair

Can only be preserved by keeping the scalp clean, cool, and free from dandruff, and the body in a healthful condition. The great popularity of Ayer's Hair Vigor is due to the fact that it cleanses the scalp, promotes the growth of the bair, prevents it from falling out, and gives it that soft and silky gloss so essential to perfect beauty. Frederick Hardy, of Roxbury, Mass., a gentleman fifty years of age, was fast losing his hair, and what remained was growing gray. After trying various dressings with no effect, he commenced the use of Ayer's Hair Vigor. "It stopped the falling out," he writes: "and, to my great surprise, converted my white hair (without staining the scalp) to the same shade of brown it

had when I was 25 years of age." Ten Years Younger.

Mrs. Mary Montgomery, of Boston, writes: "For years, I was compelled to wear a dress cap to conceal a bald spot on the crown of my head; but now I gladly lay the cap aside, for your Hair Vigor is bringing out a new growth. I could hardly trust my senses when I first found my hair growing : but there it is, and I am delighted. I look ten years younger."

A similar result attended the use of Ayer's Hair Vigor by Mrs. O. O. Prescott, of Charlestown, Mass., Miss Bessie H. Bedloe, of Burlington, Vt., Mrs. J. J. Burton, of Bangor, Me., and numerous
